

## Summer Staff Needed!

Campers are excited to return to Squeah this year. Many of our camp sessions are nearing capacity, or are already waitlisted, but we need staff to help ensure all these campers have an opportunity to attend camp.

We are urgently looking for summer staff, who are 17yrs old and older, who love Jesus and are willing to volunteer time this summer to serve these campers. Because of training requirements, most of these roles require a one or two-month commitment. Key positions that we're looking to fill include:

- Cabin Leaders
  - 4 Male (August)
  - 5 Female (July and August))
- Support Staff (lead activities + in-cabin support + kitchen help)
  - 6 Male
  - 9 Female
- First Aid attendant/nurse
  - 1 (paid position)
- Female MUD Leaders
  - 1-paid position

Please see us at <http://squeah.com/camps/guide/staff-volunteers/summer-staff/> for details.

We need 20 more staff members to serve the campers that are currently registered. We need another 10 in order to open up to our normal capacity and serve those already on our waitlist.

- You choose a unique experience that provides you with opportunities, memories, self-discovery, and growth not found many other places.
- You develop leadership skills that will transfer to all areas of life, by taking on responsibility, working with a team, and providing guidance to peers and campers.
- You are part of something bigger than yourself, seeing the difference that an experience at camp can have for campers with a front row seat to see God changing lives.
